OFFICIAL WELCOMING REMARKS

Ladies and gentlemen!

On behalf of the Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan, I am honored to welcome all participants and guests to the Tashkent International Tourism Fair - Tourism on the Silk Road 2022 (TITF).

Uzbekistan, as all countries in the world, prioritizes in the field of tourism the following directions: development of the tourism industry, domestic tourism along with the attraction of international travelers, raising tourism to the strategic level of the economy of the republic, increasing the number of international contacts, the competitiveness of tourism infrastructure and improving the quality of tourism services.

It is obvious to all of us that exhibition events play a significant role in the development of the country's tourism potential and are of key importance for the tourism industry.

I am convinced that in 2022 Tashkent International Tourism Fair - Tourism on the Silk Road - will become a reliable platform for discussions, exchange of experience, insight in the latest achievements and signing of lucrative contracts.

I wish you all successful work and welcome to Uzbekistan!

**Deputy Prime Minister of
the Republic of Uzbekistan -
Minister of Tourism and Cultural Heritage**

A. Abdukhakimov

OFFICIAL WELCOMING REMARKS

Ladies and gentlemen!

The National PR Center under the Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan welcomes all participants of the Tashkent International Tourism Fair - Tourism on the Silk Road 2022 (TITF).

Since its founding, TITF has welcomed a large number of companies that made contribution to the development of the country's tourism industry. It is worth noting that the largest event in the history of TITF was the fair in 2019, when over 23,000 guests attended it, including more than 1,000 foreign tourism specialists. And we hope that in 2022 the fair will be even grander than before.

Tashkent International Tourism Fair - Tourism on the Silk Road, which has been successfully held for many years, allows a large number of professionals to get acquainted with new trends and showcases the latest achievements in the field of tourism, and provides a unique opportunity for exhibitors and visitors to establish strong business relations.

The National PR-center under the Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan wishes all participants of the Tashkent International Tourism Fair - Tourism on the Silk Road-2022 great success and fruitful work.

**The director of the State
Unitary Enterprise "National PR-centre"**

About the Tashkent International Tourism Fair Tourism on the Silk Road (TITF)

The Tashkent International Tourism Fair - Tourism on the Silk Road (TITF) is the brightest and largest event in the tourism industry of Uzbekistan and Central Asian region as a whole.

The fair has been held since **1995** with the official support of the UN World Tourism Organization. Every year the exhibition gathers tourism business professionals from all over the world.

Annually, leading companies and tourism specialists from around the world become participants of TITF.

Every year, conferences, B2B meetings, round tables, exhibitions of tourism services and handicrafts, presentations of the tourism potential of the regions of Uzbekistan, Gastro Bazaar and much more are held as part of the fair program.

The organizing team of the Fair includes the Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan and the State Unitary Enterprise “National PR-centre” together with the International Exhibition Company ExpoSays.

“Uzbekistan Airways” on the way to develop the tourism potential of Uzbekistan

Uzbekistan is the heart of Central Asia, a country with a thousand-year history and deep traditions, the main historical and cultural tourist center located on the Great Silk Road.

Transport services are one of the most important components in tourism, and in their overall structure, the main share belongs to air transport.

The chronicles of New Uzbekistan contain a lot of events that determined the present day and the future of the country. Uzbekistan Airways celebrated its 30th anniversary on January 28, 2022. During this time, the brand Uzbekistan Airways has become known and recognized throughout the world as a safe, stable and reliable air carrier.

To date, the divisions of Uzbekistan Airways provide a range of services that ensure reliability, safety, quality and high service level:

- **Uzbekistan Airways Technics LLC** is a modern complex for maintenance and repair of aircraft, engines and components of Boeing 737/757/767/787, Airbus 300/310/318/319/320/321. Today Uzbekistan Airways Technics is 98 years of experience, **more than 15 thousand repairs for 1000 airlines, 400 top-class specialists** and an advantageous geographical location of the airline, which allows receiving, storing, maintaining and repairing aircraft of any class. The high qualification of aviation technical personnel meets the **requirements of ICAO, the European Aviation Safety Agency (EASA PART-66 and 145) and European standards (En4179)**.

- **Training Center LLC** is the main special educational institution for the training and retraining of aviation personnel on the territory of the Republic of Uzbekistan, which provides initial training for pilots, civil aviation flight attendants, as well as flight support staff for work in airline flight control centers and air navigation flight support services. **Courses are held in strict accordance with ICAO and IOSA standards.** The center has a modern training complex. Virtual Procedure Trainer and Full Flight Simulator Level D training is available 24 hours a day, 7 days a week. The serviceability of the most complex equipment of simulators is ensured at the level of 99.7%.

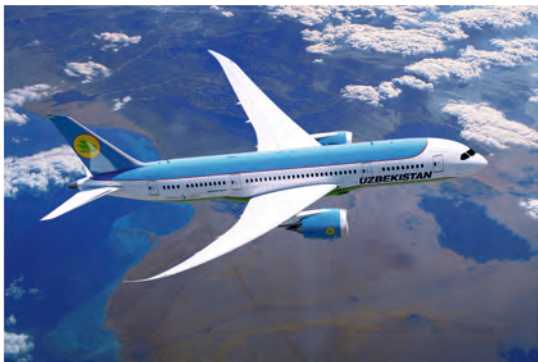

- **Catering LLC** is a modern specialized in-flight catering complex, with the ability to prepare thousands of servings of food, provide hot and cold dishes, a variety of drinks and fruit on all airlines landing at Tashkent airport. Business class passengers have the opportunity to choose meals according to their own taste from a menu developed by the best specialists in accordance with international technological standards.

The oriental flavor of Uzbek cuisine is given by raisins, dried apricots, nuts, etc., as well as an abundance of greens and vegetables in garnishes. Only on flights of Uzbekistan Airways you can try branded samsa and delicious pilaf. Catering LLC is always ready to satisfy any requests of our passengers!

- **Uzbekistan Helicopters LLC** is a helicopter company that provides various types of services for the transportation of passengers and cargo, conducting attractive sightseeing tours, providing special services (patrol of gas and oil pipelines, aerial visual, aerial photography, search and survey flights, transportation of goods inside the fuselage and on an external sling and etc.) The crews of "Uzbekistan Helicopters" are **first-class pilots** with rich experience in various climatic conditions, mountainous and high-mountainous regions!

UZBEKISTAN airways

Traveling between cities and countries by air is the fastest, most comfortable and safest way to travel long distances. And today **Uzbekistan Airways** occupies a strong position in the international air transportation market, providing passengers with a high-quality and competitive product.

Safety, Stability, Comfort

Since the airline was established, the main basis of its activity has been three main principles - **Safety, Stability and Comfort**. And for over 30 years, **Uzbekistan Airways** has always adhered to these historical foundations in its activities! This is especially true when it comes to the benefits and amenities of air transportation services for travel groups and companies. Safe air travel on a modern comfortable aircraft is an understandable desire of any passenger, and our airline fully meets these requirements!

Time of change - Time of opportunity

To date, **Uzbekistan Airways** has the latest comfortable aircraft of the **Airbus** and **Boeing** families, company is developing a hybrid type of transportation and has great opportunities in the region.

Many years of experience in the implementation of passenger and cargo charter programs allows us to fly to all corners of the world, satisfying the most daring requests of our partners. In addition, the company develops other areas of activity that are in demand in the aviation market.

Among latest improvements:

In 2022, **Uzbekistan Airways** took a step towards **business aviation**, starting to widely use its own **Pilatus PC-24** airliner, providing business transportation services, where comfort, efficiency and excellent service are always guaranteed;

The fleet of **Uzbekistan Helicopters** was replenished with modern helicopters of the well-known manufacturer **Airbus H125** and **Airbus H130**.

Helicopter walking tours offered by **Uzbekistan Helicopters** are a new type of unforgettable excursions to picturesque mountainous areas, an opportunity to get a lot of wonderful impressions, including for **lovers of extreme mountain sports** such as "Heliski" and "Helibike".

Uzbekistan Airways: with care for everyone!

The main goals of our airline are the wide development of air traffic from Uzbekistan around the world and the creation of the most favorable conditions for the travel of each of our passengers, contributing to the broad strengthening of historical, humanitarian, cultural ties with all countries!

■ **Flights according to the classical scheme**

According to the classical scheme of **Uzbekistan Airways** most of the flights operate on aircraft in a two-class layout - passengers have a choice: fly in economy class or business class. Also, now, on a regular basis, flights are also provided under a hybrid scheme (low-cost system).

■ **Convenient fares and meals on board**

The airline provides varied and delicious meals on board, regardless of class. Moreover, passengers always have the opportunity - to choose a fare for transportation only taking into account hand luggage or a fare taking into account the carriage of hand luggage and baggage.

■ **Great development potential**

There is an increased demand for a number of destinations connecting cities and countries of different regions and continents. This laid the foundation for successful work on the full restoration of flights (especially after the pandemic) and the opening of new routes, which has been purposefully and effectively carried out by the airline over the past years.

In 2021-2022 alone, **more than 10 new routes** were opened, two hubs were created in the cities of Samarkand and Namangan. In the future, **up to 3 new destinations will be opened** annually in the period up to 2026-2027.

To plan travel and select the most convenient routes, quickly purchase air tickets and additional services online, **you can use the airline's website:**

Latest news, interesting events, promotions and lotteries – all this you can find on our social media pages on **Facebook, Twitter, Instagram and on the YouTube platform.**

The role of Uzbekistan Airways in developing the tourism potential of Uzbekistan

It can be said that the image of a country for a tourist is formed from the moment of boarding on an aircraft of the national airline.

Taking into account the growing interest of the world tourist community to visit Uzbekistan and get acquainted with its historical sights, rich and diverse culture, ancient traditions and unique natural landscapes, **Uzbekistan Airways** annually expands its geography of flights in the passenger air transportation market and as priorities and main strategic goals sees the provision of flight safety, increasing the availability of its services, the development and implementation of modern means and methods of customer service.

To this end, in order to create favorable conditions for our passengers, **Uzbekistan Airways** is constantly updating its fleet of aircraft and is working to improve the quality of service, a wide presentation of the airline's services, including through active participation in significant tourism forums, exhibitions and presentations held in different countries of the world.

Uzbekistan Airways is a permanent participant of annual major international tourism exhibitions. As part of these international events, Uzbekistan Airways is actively working to promote the tourism potential and attractiveness of the Republic of Uzbekistan in the international market, which has a beneficial effect on strengthening the image of the country as a safe, interesting, exciting, multifaceted and fascinating place for travel and recreation!

Uzbekistan Airways is the General Partner of the Tashkent International Tourism Fair TITF-2022

Uzbekistan Airways - safety, stability, comfort!

**WE WISH EVERYONE A PLEASANT FLIGHT ON THE MODERN
AIRLINERS OF UZBEKISTAN AIRWAYS!!!**

One of the recently resumed destinations - from **November 01, 2022** - the flights to the capital of Malaysia - **Kuala Lumpur**! 2 times a week comfortable liners enable our passengers to carry out direct flights on the route **Tashkent - Kuala Lumpur - Tashkent**! A new route has been opened from the densely populated Fergana Valley to a modern and amazing country - the United Arab Emirates!

From **October 30, 2022**, there are direct flights from ancient Fergana 2 times a week to fascinating and alluring Dubai! We invite you to get vivid impressions of a comfortable flight on the route Fergana-Dubai-Fergana!

Our fleet

Currently, the **Uzbekistan Airways** fleet is gradually being updated, remaining one of the most modern and young in the region. The airline was the first in the region to start full operation of **Airbus** and **Boeing** aircraft and continues to replenish the fleet with new types

- **Airbus "A320 CEO"** - 9 aircraft, 4 of which are in full economy class based on low-cost transportation
- **Airbus "A320 NEO"** - 3 aircraft in a two-class configuration, a multimedia system and wi-fi on board
- **Boeing 757** - 2 aircraft in a two-class configuration
- **Boeing 767** - 4 wide-body airliners operating long-haul flights
- **Boeing 787** - 6 aircraft in various two-class layouts with wi-fi and multimedia system on board

In the latest developments - equipping the aircraft fleet with modern liners of the Airbus family - A-321 NEO AIRBUS "A321NEO"

Today our fleet continues to be updated. In 2022, **Uzbekistan Airways** has already received 3 new Airbus A321 NEO Long Range aircraft. At the end of the year, it is expected to receive 2 more new Airbus A321 NEO.

All aircraft are equipped with maximum comfort passenger seats in a two-class configuration. A special multimedia system will also be used on board.

From Uzbekistan to the entire world with Uzbekistan Airways!

226 representative offices of the airline abroad carry out activities on comprehensive cooperation with various companies, including the tourism sector.

Expanding horizons, **Uzbekistan Airways** annually improves its extensive route network, opening new destinations connecting ancient Uzbekistan with more than 50 cities of the CIS countries, Europe, Asia and America, where more than 250 flights are operated weekly.

Uzbekistan Airways is the only Central Asian airline operating non-stop regular flights from Tashkent to New York on comfortable Boeing-787 Dreamliner aircraft.
